## San Marino, Huntington Library, HM 00047

*Description:* f. 1 - Unbound: chart has a center fold that appears to have been attached to a stub for binding at one time; now flattened and kept in modern case. - The only marking is the number "13" in a seventeenth century hand on verso (once in pencil and once in red ink), probably a page number in a volume of maps. - C. W. Dutschke with the assistance of R. H. Rouse et al., *Guide to Medieval and Renaissance Manuscripts in the Huntington Library* (San Marino, 1989).

*Acknowledgments:* - We are indebted to Virginia Rust who wrote the full description of this manuscript, as published in the *Guide to Medieval and Renaissance Manuscripts in the Huntington Library* (1989); the present short description derives from her work.
